

Material Handling Systems

The Alpha 1 Induction Service Center is one of the Inductotherm Group of companies serving the forging industry. We specialize in the coils and material handling equipment required by today's forgers. This includes our standard step & rotary billet feeders, bin tipper, modular conveyors, fast extractors and billet reject systems. We also provide a variety of custom designed and manufactured material handling systems to meet the needs of our customers.

Conveyor Bar Feeding Systems

Conveyor Sections

Turntable Feeding Systems

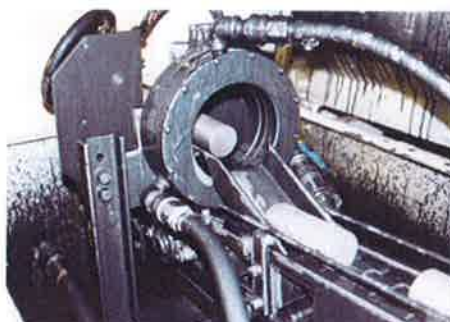

Carousel Handling Systems

Pick & Place Systems

Billet Weigh & Reject Systems

Graphite Coating Systems

Bar Loading Systems

Escapement Systems
