

## Inductotherm Group Support by Alpha 1

At Alpha 1, we specialize in supporting Inductotherm Group brand products. We manufacture and repair coils, rails, liners, water cooled transformers and chokes. We stock spare parts and have qualified service technicians for brands such as Alpha 1, Banyard, Inductoheat, IHS, Lepel, Newelco, and Radyne. We have a 24 hour, seven day a week, customer hotline providing our customers with fast turnaround and decreased downtime at competitive rates.

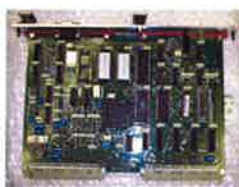

Banyard and Newelco Coil Repair Services

Improved Coil Rails

New and Repaired Newelco Power Supply Modules
